

BAHRAIN AIR FLY CRUISE PACKAGE

From Dubai - December 2012 to April 2013

Costa Classica

Costa Classica is one of the best loved ships in the fleet, perhaps because of its welcoming and surprising personality or the recently refurbished beauty of its furnishings, or perhaps simply because it is a modern and comfortable ship on which to travel in total relaxation. The classical style and refinement of its environments make the ship a voyage of discovery in itself. The interior has been designed with care down to the smallest detail, while the upper decks provide an unsurpassable view. Costa Classica is the ideal cruise for people who want to spend their happiest times in a rich and spectacular setting.
